BULLETIN INSERTS

May 25, 2025 – Easter 6 (C)
Traveling the Way of Love: Go

"Traveling the Way of Love" Season 2 offers video stories of the ways people across The Episcopal Church participate in the seven Way of Love practices. Produced by the Office of Communication in partnership with Evangelism colleagues, it includes study guides to help congregations or small groups engage the stories and strengthen one another's discipleship. Each week, we'll share information about an episode, along with study questions suitable for congregational, small group, or personal reflection. You can find each episode and its discussion guide at iam.ec/TWOL2.

Episode 2: Go

"Then Jesus called the twelve together and gave them power and authority over all demons and to cure diseases, and he sent them out to proclaim the kingdom of God and to heal the sick. He said to them, 'Take nothing for your journey: no staff, nor bag, nor bread, nor money—not even an extra tunic. Whatever house you enter, stay there, and leave from there. Wherever they do not welcome you, as you are leaving that town shake the dust off your feet as a testimony against them.' So they departed and went through the villages, bringing the good news and curing diseases everywhere." - Luke 9:1-6

As Jesus went to the highways and byways, he sends us beyond our circles and comfort, to witness to the love, justice, and truth of God with our lips and with our lives. We go to listen with humility and to join God in healing a hurting world. We go to become Beloved Community, a people reconciled in love with God and one another.

1. In this episode, we have the privilege of hearing from the Rev. Christian Barron, co-founder of the Order of Naucratius. Fr. Christian holds a unique perspective, considering hunting and fishing as sacred activities. He aims to connect local hunters and anglers who have harvested in abundance with those who are hungry. During his conversation with host Chris Sikkema, Fr. Christian draws a fascinating parallel between the work of processing fish protein, often involving a lot of blood, and the work of Sunday mornings during the Eucharist. What are your thoughts on Fr. Christian's insightful observation?

2. Fr. Christian and members of the Order of Naucratius often engage with people who are not church members or who may not "fit in at most churches but have become part of the Naucratis' flock." Through these relationships, they proclaim the kingdom of God in both traditional and unique ways. They bless fishing rods and pray, demonstrating that the kingdom of God is not limited to church walls. Take a moment and reflect—what communities are overlooked in your area? Who in those communities might have abundant gifts to share with those in need but have never been asked or considered?

3. The mission of the Order of Naucratius is "Take, Bless, Break & Give." These are the actions of Jesus. Repeatedly, throughout the Gospel accounts, Jesus takes food, blesses it, breaks it up, and gives it to the people—often people who have been forgotten, ignored, or looked down upon by polite society. As followers of Jesus and his way of love, this is also our work. How are you challenged to take, bless, break, and give? What boundary may you need to cross to do this?

MEMORIAL DAY PRAYER
God of power and mercy,
you destroy war and
put down earthly pride.
Banish violence from
our midst and
wipe away our tears,
that we may all deserve
to be called your sons
and daughters.
Keep in your mercy
those men and women
who have died in the
cause of freedom and
bring them safely
into your kingdom of
justice and peace.
We ask this through
Jesus Christ our Lord.
Amen.

A Conversation on Courage

Join us on June 4, 2025 from 7:00 PM - 8:15 PM Eastern Time

In this present moment of fear mongering, violence and difficulty in finding the truth, it is challenging to hold on to courage.
Join us for an inspiring Conversation on Courage with The Right Rev. Paula Clark and The Rev. Becca Stevens which will be moderated by Dr. Catherine Meeks. These women live a life that is grounded in the understanding of " feeling the fear and doing it anyway."
They embody an understanding that courage is not the absence of fear. It's foundation is carved out of the understanding that fear cannot and will not have the last word.

ORGAN CONSTRUCTION JOBS

"Consider the lillies of the field... they neither toil nor spin... Look at the Birds of the air, they neither sow nor reap... Matthew 6:26-28

This is a lovely thought, **But** lilies and birds do not build organs. Right now St. Mark's needs to be thinkimg about "heaven helps those who help themselves."

There has been great progress, but as many of you know Stephen can only work six hours a day due to his Parkinson's. We have a wonderful team of skilled labor, but there are many simple jobs, that might only take 30 minutes, but it means that the skilled carpenter work does not have to stop if some on can come in and use a shop vac, bring a coffee, sand for 30 minutes, do a quick run to the hardware store or Home Depot. As there is much carpentry, we need lots of shop vac "experts."

It would be wonderful if some one could bring some sandwiches and cookies or just came and said "I have half an hour,what can I do?"

If you could leave your name and phone with Stephen, or if you know when you might have a free 30 minutes to just help get rid of sawdust, it means the experts can use their volunteer time doing the highly skilled labor they do so brilliantly!

"Damn! There goes another one. I knew I should have hired a good contractor."

SAINT MARK'S LADIES LUNCHEON, 12:30 SATURDAY, JUNE 7th.

Hello all,

Due to popular demand, we will be meeting once again at the Birchwood Restaurant in Polish Town, 512 Pulaski Street. This time, we will not be charged Sales Tax and they are offering two menu choices.

One is $22.00 (including tip for the waitress) - 1 glass of wine, beer or soda, the soup of the day or house salad and a choice of entrée, this does not include dessert. Or, if you would like dessert added, the price is $30.00 (this also includes tip for the waitress).

You do not have to give me your entrée' choice, but if you are choosing the dessert option, please let me know when you rsvp. I will need these by Wednesday, June 4th. And once again, it is most helpful if you have the exact amount of $22.00 or $30.00 depending on your menu preference.

Looking forward to seeing you,

Vestry Meeting Minutes
April 15, 2025, 6:30 p.m. via Zoom

Members Present: Fr. Chris Jubinski, Steve DeCaro, Diane Feil, Madeline Glover, Tom Hadlock, Marj Kulesa, Ashley McLean, Barbara Pettus, Steve Turner, Sandy Wyman, Tom Simson, Carol Fitton

Fr. Chris called the meeting to order at 6:31 p.m. and Barbara offered the opening prayer.

Check-in Time: Fr. Chris invited Vestry members to share news and prayer concerns.

Consent Agenda: A motion was made by Tom Hadlock, seconded by Sandy, to approve the Consent Agenda, which includes the March 18, 2025 minutes.

Croquet Court or Lawn: Tom Hadlock indicated that the group determined there is not enough space on the lawn to accommodate the necessary number of courts, so they are pursuing other alternatives.

Finance Report: Tom Simson

Bright Beginnings: YTD March 2025 Tuition receipts, which comprise the bulk of Bright Beginning's Income, were $307.9K, up 35.2% compared to $231.2K for YTD March 2024, while YTD March 2025 Income increased 29.3% to $316.6Kvs $244.8K for YTD March 2024. YTD March 2025 expenses were up to $260.3K compared to $209.7K for YTD March 2024, an increase of 24.2%. Tom noted that salaries comprise most of the expenses and these were also up 14.7% from $181.6K in YTD March 2024 to $208.3K for YTD March 2025. YTD March 2025 Net Income was $56.3K, a 60.3% increase from YTD March 2024 Net Income of $35.1K. He is setting aside $5K/month in a reserve fund to cover future unexpected expenses.

SMC: Tom reported YTD March 2025 Church Donations of $88.3K vs $62.3K a year ago, an increase of 41.5%. He noted it continues the positive trend from January. Other Revenue increased substantially to $59.8K YTD March 2025 from $23.2 in 2024, due to a $10K dividend from Bright Beginnings and increased rent from the Beinecke Building from a year ago. For YTD March 2025, Salaries and Benefits Expenses were $82K vs $97.9K for YTD March 2024, a decrease of 16.2%. The YTD March 2025 Operating Income of $22.6K compares to -$92.5K in 2024, a large increase due to higher income from a variety of sources. Tom noted that the YTD results have changed slightly based on revising the accounts used to compute what is considered "core performance" as well as excluding extraordinary items. He also highlighted the Food Pantry Fund continues to grow and he encouraged the Vestry to think about effective ways to utilize it.

Investment Committee: The balance in the investment account as of March 31, 2025 was $777,272.05. There have been no draws from the account for the first 3 months of 2025, which is the first time this has happened in many years.

Vestry Nominations: Fr. Chris said the slate is in the last stages of being finalized and the candidate information needs to be posted this week. The 4 Vestry candidates for the 4 open positions are Rich Caccavano, Madeline Glover, Tom Hadlock, and Norma-jeanne Okula. The Warden candidate will be finalized soon.

Announcements / Upcoming Events:
Fr. Chris mentioned the following:

- There is a service every day this week beginning tomorrow and culminating with 3 services on Easter morning.
- The Good Friday noon service will be conducted by Fr. Chris and the Presbyterian pastor, while Fr. Chris will officiate at the evening Good Friday service.

Closing Prayer and Adjournment: The meeting was adjourned at 7:34 p.m. with the Lord's Prayer.

Next Vestry Meeting: Vestry meetings are normally held on the 3rd Tuesday of the month at 6:30 p.m. The next meeting is scheduled for May 20. The Annual Meeting is scheduled for May 18, 2025.

Respectfully submitted,
Carol Fitton, Clerk
