May Their Memory Be A Blessing!

Fr. Chris & Carol, Aki Goldberg (Soup Lady) and her husband Warren were invited by the Hamptons Synagogue to represent Saint Mark's as they dedicated a memorial to the 1.5 million Jewish children who perished in the Holocaust. The memorial was created by renowned American glass artist Dale Chihuly. The white represents the innocence and purity of the children, the red is for the blood that was shed, and the orange represents the fire used to extinguish their young lives. The memorial is located at "Jack's Place" on the corner of Mill Road and Sunset Avenue.

SEARCH FOR THE NINTH BISHOP OF LONG ISLAND

Dear People of the Diocese of Long Island,

The Search Committee for the 9th Bishop extend our heartfelt thanks to each of you who participated in the diocesan survey and our ongoing listening sessions. Your willingness to share your hopes, concerns, and dreams for the future of our church has been extraordinary. We are especially grateful to announce that **our participation rate in the survey was the second highest that Holy Cow Consulting has ever recorded** among all the dioceses with which they have worked. This remarkable level of engagement is a true testament to the care, commitment, and prayerful discernment of our diocesan community.

Remember, there is still opportunity to share your thoughts at the remaining listening sessions, which can be found here at **this link**.

We are also pleased that the Joint Oversight Committee has set **Saturday, April 18, 2026**, at the Cathedral of the Incarnation for **the Special Convention to elect the next Bishop of Long Island**. This important day will be a milestone in our common life, and we invite the prayers of the entire diocese as we move toward it together.

As we continue in this journey, there are still a few remaining listening sessions. We encourage all who are able to take part, as these conversations are vital in shaping the profile and priorities for our next bishop.

Finally, we are glad to share that **the Diocesan Profile will be published by the end of September**. This profile will reflect the voices we have heard, and it will serve as an essential guide for those discerning a call to serve as the Ninth Bishop of Long Island.

We thank you again for walking with us in this holy work. Please continue to keep the Search Committee, the Transition Committee, the Joint Oversight Committee, and the whole Diocese in your prayers as together we listen for the movement of the Holy Spirit.

Faithfully,

The Search Committee for the Ninth Bishop

BULLETIN INSERTS

September 7, 2025 – Pentecost 13 (C)
United Thank Offering Grants

The United Thank Offering Board is delighted to announce the opening of applications for its 2026 annual grants, seeking projects that focus on justice through bridging divides. The deadline to apply is **5 p.m. ET Jan. 9 for Anglican Communion** partners and **5 p.m. ET Jan. 30 for Episcopal Church** applicants.

Applications received by the posted deadlines will go through a review process to ensure all criteria are met before a final submission in February. In addition, draft applications can be emailed to the Rev. Heather Melton (hmelton@episcopalchurch.org) for feedback and support.

Find application materials and support videos online in English and Spanish at https://unitedthankoffering.com/apply/. Applicants are invited to register for one-on-one support during open office hours this fall with United Thank Offering staff.

The focus of grants for the 2026-2028 triennium is inspired by sources from the "three-legged stool" of Anglicanism: Scripture, tradition, and reason. In 2026, the grant focus is inspired by a C.S. Lewis quote and Amos 5:24: "But let justice roll down like waters, and righteousness like an ever-flowing stream." Applications must demonstrate how two disconnected groups will collaborate on a project that works toward meaningful change within a local community.

"Members of the UTO Grants Committee are keenly feeling the ways in which the United States continues to grow increasingly fractured socially, politically, and financially," writes the Rev. Rowan Larson, vice president for grants for the United Thank Offering. "As we see similar divides deepening in countries across the world, we believe this is a global issue that affects us all. We are hopeful that this year's grant focus will inspire innovative ministry projects to bridge some of these divides and move communities toward justice for all."

During the last three-year grant cycle, United Thank Offering grants supported nearly 70 innovative mission and ministry projects focused on areas of ministry based on Matthew 25:31-46, including the worldwide incarceration crisis, welcoming "the stranger," and water-related issues.

Recovery is for Everyone

Every Person, Every Family, Every Community.

WHY IT MATTERS - HOW YOU CAN HELP

As we approach National Recovery Month this September, we're joining communities nationwide in celebrating the 2025 theme: "Recovery is for Everyone—Every Person, Every Family, Every Community."

At our agency, we believe prevention, treatment, and recovery are all part of one shared goal: building stronger, healthier communities. These efforts are connected by common protective factors—like human connection, mental wellness, and supportive families—that help prevent substance use and support long-term recovery.

That's why we're launching simple, meaningful initiatives that anyone can support. **We're inviting you to be part of something that truly makes a difference.** Your support—whether through sharing our message, partnering on an initiative, or simply helping us spread the word—helps strengthen the protective factors that keep individuals, families, and our entire community resilient.

Together, we can create a culture of connection, compassion, and hope—because recovery is real, and it belongs to all of us.
